

Delivering a complete communication solution

GraphicMail Corporate Edition combines a robust application with easy-to-use features, making it easy to manage both internal and external communications. If your company has multiple departments or offices that need easy access to shared communication resources, GraphicMail has the right tools to keep them working in sync.

Facilitates Easy Sharing

GraphicMail Corporate Edition allows the easy sharing of communication resources when sending newsletters from multiple departments and offices.

Enforces Brand Consistency

The GraphicMail Corporate Edition is designed for all types and sizes of organisations with multiple departments and offices seeking to maintain a unified, branded message across all their email communication channels.

The GraphicMail Corporate Edition includes:

- The application is branded with your logo and accessible to your employees
- Share email creative, images and lists from the master account to sub accounts
- Set up (up to 100) sub accounts from your master GraphicMail account
- Control the sending budget and access privileges of each sub account
- Initial account set up and training provided
- Creative assistance to ensure maximum email client cross-compatibility
- Deliverability assistance and consultation to address any issues
- GraphicMail API –seamlessly integrate GraphicMail with your CRM and CMS
